- 2. BATTING ORDER:** All team members will bat round robin. If a batter becomes disabled during the game and cannot bat, it will NOT be an out. If a child is sick before the game, leave him off of your line up and inform the opposing coach, umpire and the press box. This player cannot enter that game. If a base runner becomes ill or injured while on base, the base runner will be removed from the game. A substitute base runner will be put on the base just vacated by the injured/sick base runner. The substitute base runner will be placed in the ball game as the new base runner will be the last batter who was in the dugout. Must have ten (9) players to start and play a game. If you drop to eight (8) players for any reason the game will be called a forfeit.

(Homerun: all runs will count. Mississippi Rule)

The ball becomes live when it leaves the pitching machine.

Stealing will not be allowed

on a "no-pitch".

16. **BATTER IS OUT:** After three (3) strikes. If, in the umpire's judgment, the machine delivers a ball out of the strike zone a "no pitch" will be called unless the batter swings in which case it will be called a strike. 17. **SLINGING A BAT:** If a batter slings the bat, a warning will be given to the team at bat.
